## LCM II

NB If you would like to view your paper, you should go to the 'ricevimento' of the lecturer that marked it, as specified in the rightmost column by way of the abbreviations: MB (= Bagli), CB (= Broccias). NB This may **NOT** be the lecturer of the group ("Frazionamento") you belong to. Please remember that you need to have your final mark signed by the lecturer whose **Frazionamento** you belong to. Your **Frazionamento** appears in your study plan.

Abbreviations: F = Fail, MB = Bagli, CB = Broccias.
